QuickPick

Automated Punch Card

Data-Driven Decisions

Analyze detailed, historical data using searchable records to make informed decisions. Generate GPS yield maps to analyze crop profitability.

Increase Profits

Invest in your operation's future. Collect valuable labor and crop information to perform job costing, evaluate employee performance, and become more efficient.

Save Money

Record accurate clock in/out times to eliminate overpayments and ensure fair pay for all employees. Improve picker efficiency by reducing punch card bottlenecks.

Fast Payroll

No more hand-counting punches or wasting time with illegible tickets. Prepare payroll data with the click of a button. QuickPick saves you time in the field and in the office!

QuickPick

Labor Tracking for Fast-Paced Piecework

Hold a badge up to the reader and instantly receive credit for a set number of pieces. See cumulative counts and print receipt records at clock out.

The QuickPick is simple and keeps up with fast-paced picking. Record hours worked, counts, location, and variety information with a badge scan.

Features

• Mount to bins, gondolas, or trailers
• Wi-Fi and SIM card options
• Set a minimum scan time
• Integrated printer
• Multilingual

Benefits

• GPS yield mapping
• Improved crop traceability
• Rugged for harsh environments
• Paperless (no more punch cards)
• Simple, fast, and accurate payroll
